

What's Happening in Karigiri

A WEEKLY NEWS BULLETIN

Schieffelin Institute of Health-Research & Leprosy Centre

15th to 21st May 2016

BIBLE VERSE

The hand of the LORD came upon me and brought me out in the Spirit of the LORD, and set me down in the midst of the valley; and it was full of bones.

Then He caused me to pass by them all around, and behold, there were very many in the open valley; and indeed they were very dry.

And He said to me, "Son of man, can these bones live?" So I answered "O Lord GOD, You know."

Again He said to me, "Prophecy to these bones, and say to them, 'O dry bones, hear the word of the LORD!

'Thus says the Lord GOD to these bones: "Surely I will cause breath to enter into you, and you shall live.

"I will put sinews on you and bring flesh upon you, cover you with skin and put breath in you; and you shall live.

Then you shall know that I am the LORD."

"I will put My Spirit in you, and you shall live, and I will place you in your own land. They you shall know that I, the LORD, have spoken it and performed it," says the LORD."

Ezekiel 37: 1- 6 &
14

TRAINING

DIABETIC WORKSHOP

Training on Management of diabetic foot is organized by SIHR&LC, Karigiri in collaboration with Tameside General Hospital, Lancashire, UK on 15th and 16th of February 2016. The resource persons are Dr. Edward Jude, UK and Dr. Mannam Ebenezer, Director, SIHR&LC, Karigiri.

OVERSEAS TRAINEES

Elective students Ms. Anita, Ms. Margaret, Ms. Kelly and Mr. Alex from the University of Tufts, USA will be at Karigiri on 17th Feb. 2016 to observe the work done here.

Medical students from Lund University, Sweden will be visiting Karigiri on 18th Feb. 2016 to have discussion on leprosy with surgical and physiotherapy components of care for patients with leprosy.

WORKSHOP ON MUSHROOM CULTIVATION:

A 3 day workshop on mushroom cultivation was organised at the Santhi Gramam from the 10th – 12th of February 2016 for eight differently able beneficiaries identified through the CBM project. The workshop was facilitated by Mr. Sundaramoorthy an entrepreneur and Director of Sun Magic Foods.

On the 1st day of the workshop the participants were given an orientation on the different ways of cultivating mushrooms. The participants were given special training on the simple techniques used in cultivating Oyster mushrooms.

The 2nd day the participants were taken to the cultivation farm in Anaicut and were given practical demonstration in setting up a small scale mushroom farm. The participants were thrilled to know about the yield the mushrooms cultivation gives through a very little effort. They tried cooking different mushroom delicacies at the farm.

On the 3rd day the participants were involved in the practical training in making “mushroom beds” using the mushroom kits provided to them. The motivated participants thanked the hospital for organizing the workshop. The participants were each given mushroom kits to be tried at home.

The participants would be followed up and further given advice on setting up a mushroom cultivation unit in their place. We would like to specially thank Ms. Yuvarani and Mr. Dinesh for all their efforts in organizing this workshop.
