

Bible Verse

So when they had eaten breakfast, Jesus said to Simon Peter, "Simon, son of Jonah, do you love Me more than these?" He said to Him, "Yes Lord; You know that I love You." He said to him "Feed My lambs."

He said to him again a second time, "Simon, son of Jonah, do you love Me?" He said to Him. "Yes, Lord You know that I love You." He said to him "Tend My sheep."

He said to him the third time, Simon, son of Jonah, do you love Me more than these?" He said to Him, "Yes Lord; You know that I love You." He said to him "Feed My sheep."

John 21: 15–17

The Sunday School children of St. Luke's Chapel will have their Annual Retreat at Navajeevan Seva Mandal, Sevoor on 29th January 2017. The Scripture Union team is invited to conduct the Retreat. Parents are encouraged to send their children.

Workshop on Science and Art of mixing Rubber

"The Science and the Art of Mixing Rubber" and "The Manufacture and Markets of Latex Medical Elastomers " arranged by All India Rubber Industries Association (AIRIA) at the India Rubber Expo 2017 at Trade Centre, Chennai on 19th and 21st January 2017 was attended by Mr. A.J. Samraj, Special Officer & Head of Rubber Mill and Mr. B. Mohanraj, Rubber Mill Technician.

It was an useful experience for learning about the proposition of the rubber chemicals and its properties, the efficient mixing method and the time requirement etc. The knowledge gained will be definitely useful while processing the MCR sheets at Karigiri.

The team had a great privilege of meeting Dr. Zachariah George, Rubber Technologist Consultant & former Head, Research & Development, MRF who helped Karigiri to upgrade the Rubber Mill under ASHA Grant in 2004. Also had the privilege of meeting Dr. R.K. Matthan, Rubber Technologist and our Board Member, whose speech was encouraging at the workshop. It was a wonderful experience for all the staff of Rubber Mill who attended the final day event at the Rubber Expo. to see the rubber chemicals and components at various stalls. The staff interacted with the professionals and clarified their doubts.

The team thank the Director for giving the opportunity to know about Indian rubber sectors -its growth, development and future plans through this International Rubber Expo 2017.

A.J. Samraj

Wanted
