

Bible Verse

Are they servants of Christ? I am more. I have worked much harder, been in prison more frequently, been flogged more severely and been exposed to death again and again.

Five times I received from the Jews the forty lashes minus one. Three times I was beaten with rods, once I was stoned, three times I was shipwrecked, I spent a night and a day in the open sea.

I have been constantly on the move. I have been in danger from rivers, in danger from bandits, in danger from my own countrymen, in danger from Gentiles, in danger at sea and in danger from false brothers. I face daily the pressure of my concern for all the churches. If I must boast, I will boast of the things that show my weakness.

The God and Father of the Lord Jesus, who is to be praised forever, knows that I am not lying.
