

### Bible Verse

Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away. Also there was no more sea.

Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband.

And I heard a loud voice from heaven saying "Behold, the tabernacle of God is with men, and He will dwell with them and they shall be His people. God Himself will be with them and be their God.

"And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away."

Then He who sat on the throne said, "Behold, I make all things new". And He said to me, "Write, for these words are true and faithful."

And He said to me, "It is done! I am the Alpha and the Omega, the Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts.

*Revelation 21: 1-6*

Elective Students Qiu Tian Yu, Mr. David and Chun Yuet, from National University of Singapore will be visiting Karigiri on 9th June 2016.

### BLOOD DONATION CAMP

*Donate blood and save a life!*

The Department of Transfusion Medicine & Immunohaematology, CMCH, Vellore conducted a one day blood donation camp at Karigiri on 1st June 2016. A team of technicians, a nurse, a doctor and a social worker had come in a mobile blood bank vehicle to conduct the camp. A group of enthusiastic volunteers came forward to donate blood. There were a total of 39 volunteers of which 35 were students (3 girls and 32 boys) and 4 were staff. A few of them were regular volunteers but the major lot of them were donating blood for the first time and said that it had been a thrilling experience. One disappointment was that many female students and staff and a few male staff who came to volunteer were rejected based on low haemoglobin levels. We congratulate, appreciate and thank the brave donors.

*Mrs. Esther Rita David*

**Journal Club:**

Date: 10th June 2016  
Presenter: Dr. J. Richard  
Topic: "Research Methodology" Part—11
