BIBLE VERSE

Now He was teaching in one of the synagogues on the Sabbath.

And behold, there was a woman who had a spirit of infirmity eighteen years, and was bent over and could in no way raise herself up.

But when Jesus saw her, He called her to Him and said to her, "Woman you are loosed from your infirmity"

And He laid His hands on her, and immediately she was made straight, and glorified God.

But the ruler of the synagogue answered with indignation, because Jesus had healed on the Sabbath; and he said to the crowd, There are six days on which men ought to work; therefore come and be healed on them, and not on the Sabbath day"

The Lord then answered him and said, "Hypocrite! Does not each one of you on the Sabbath loose his ox or donkey from the stall, and lead it away to water it?"

So ought not this woman, being a daughter of Abraham whom Satan has bound-think of it-for eighteen years, be loosed from this bond on the Sabbath?"

COST OF DISCIPLESHIP OF JESUS IN 1ST CENTURY INVITES US IN 21ST CENTURY JUDE

Jude was an apostle who lived in Galilee and was also known as a man with three names. In Mark 3:18 he is called Thaddeus. In Matthew 10:3 he is called Lebbeus. His surname was Thaddeus. In Luke 6:16 and Acts 1:13 he is called Judas the brother of James. Judas Thaddeus also was called Judas the Zealot. He was an intense character and had initially dreamt of world dominion by chosen people. During his ministry he preached gospel by going to different countries and it is said that at Edessa near Euphrates River he healed many and many started to follow Christ. Arise, Woman of God

Rise up, O woman of God
In what He has given you,
The things God has laid on your heart,
Rise up, go forth, and do

Unlock what God has placed within
The potential you have inside
The world is waiting for your release
To expand your wings and fly

Arise in your God-given gifts
For this is your finest hour
Arise in the Lord's holy might
Ignited and empowered

For God is calling you to come forth
To impact this world for Him
Don't hold back or limit yourself
Let His power arise within

And take His message to the world
To those that have lost their way
For you can surely make a difference
If you'd hear His voice and obey

You shall be strengthened in the Lord
As you begin to arise,
Conquering those doubts that pull you down
And believe who you are in Christ

For you shall surely be transformed
As, in you, God increases more
And become a woman of true excellence
Bringing honour to her Lord
