Bible Verse

In Joppa there was a disciple named Tabitha (which, when translated, is Dorcas) who was always doing good and helping the poor. About that time she became sick and died, and her body was washed and placed in an upstairs room. Lydda was near Joppa; so when the disciples heard that Peter was in Lydda, they sent two men to Him and urged Him, "Please come at once!" Peter went with them, and when he arrived he was taken upstairs to the room. All the widows stood around him, crying and showing him the robes and other clothing that Dorcas had made while she was still with them. Peter sent them all out of the room; then he got down on his knees and prayed. Turning toward the dead woman, he said, "Tabitha, get up." She opened her eyes, and seeing Peter she sat up. He took her by the hand and helped her to her feet. Then he called the believers and the widows and presented her to them alive. This became known all over Joppa, and many people believed in the Lord.

Thomas Didymus

Thomas Didymus lived in Galilee. Tradition says that he laboured in Parthia, Perisia and India. Suffering martyrdom near Madras (Chennai) at Mount St. Thomas, India. Thomas was his Hebrew name and Didymus was his Greek name. At times he was called Judas. In John 20:25, we see him saying unless he sees the nail prints in Jesus' hand and the gash of the spear in His side he will not believe. That's why Thomas became known as Doubting Thomas. Thomas doubts were transformed into faith. The good news to him was always too good to be true. By this very fact Thomas' faith became great, intense and convincing. It is said that he was commissioned to build a palace for the king of India, and he was killed with a spear as a martyr for his Lord. His symbol is a group of spears, stones and arrows.
